REMOTE

CONTROL4® HALO TOUCH REMOTE

C4-HALO-TS-BL | C4-HALO-TS-AS

Halo Touch is the new premium universal smart remote by Control4. The handheld device includes a host of user-driven features including a 3.2" color touch-interface with a complement of backlit buttons, voice-control, extended battery life, WiFi 2.4 and 5GHz support, and a redesigned UI with new interaction options. Halo Touch also includes end-user install capabilities, and OvrC integration that reports battery life and Wi-Fi connectivity data. With a generational leap in functionality and a refined design, Halo will redefine the user experience.
